DESCRIPTION

Men's microfibre sports towel (one size), designed for active use and easy transport. The lightweight fabric (85% polyester, 15% polyamide) ensures rapid drying and effective moisture management without adding bulk. Overlocked edges and a sewn tone-on-tone elastic strap make folding and storing the towel straightforward and compact for the gym, running or travel.

Functional details include visible overlock stitching and a wide elastic band that secures the towel when rolled; the compact shape is made for portability. The towel comes in several colours — for example Lime, White and Sporty Royal Blue — from a range of twelve options.

This personalised sports towel can be customised using embroidery, DTF printing, flex, screen printing and transfer. Suitable for companies, sports clubs, associations, events and private customers — customisation available from 1 piece. Free quote within 24 hours on weekdays and graphic studio support offered.

KEY FEATURES

- Ultra-light for quick and efficient drying.
- Easy to fold thanks to its matching sewn-on elastic.
- Wide selection of colourways.

COLOURS (12)
