DESCRIPTION

Men's microfibre sports towel (70 x 120 cm) engineered for fast drying and low weight. Made of 85% polyester and 15% polyamide, it delivers a soft, absorbent handle with overlocked edges for reinforced durability. One Size fits most and the fabric is easy to care for, drying quickly after washing.

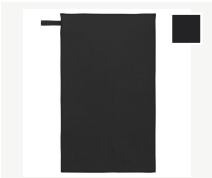

The towel folds compactly thanks to a tone-on-tone elastic band stitched to the edge, making it convenient for storing in a gym bag. Visible details include neat seams and a smooth surface designed to hold up to regular use. Available in several colours such as Lime, White and Sporty Royal Blue.

Can be personalised from a single piece using embroidery, DTF printing, flex, screen printing and transfer techniques. Suitable for sports clubs, companies, associations, schools and private individuals. Our design studio can retouch or vectorise your logo before production for a clean result on this personalised sports towel.
