DESCRIPTION

Cooling sports towel designed for athletic use, unisex and supplied in one size (100 x 30 cm). Made from 100% polyester, it delivers an instant cooling effect when wetted, wrung out and allowed to act. The long narrow shape is comfortable around the neck and convenient to store in a gym bag. Care is straightforward: polyester dries quickly and maintains its shape after repeated use.

Edges feature contrasting overlock stitching that strengthens the hems and prevents fraying during regular use. Available in several colours, including Sporty Royal Blue, Lime and Wine, this towel is practical for training sessions, competitions and outdoor events where temperature regulation is beneficial.

This personalised sports towel can be customised from a single piece using embroidery, DTF printing, flex, screen printing, transfer prints (1-colour and multicolour) or embroidered patches depending on the desired finish. Suitable for companies, sports clubs, associations, schools, events and private customers.
