DESCRIPTION

One-size golf towel designed for equipment care and quick drying. The waffle (honeycomb) fabric in 80% polyester / 20% polyamide offers high absorbency and efficient moisture wicking. Finished with tone-on-tone overlock stitching and a metal carabiner treated against rust for easy attachment to a golf bag. Size: 50 x 40 cm.

The textured honeycomb weave shown in the photo provides a gentle surface for cleaning clubs without scratching. The carabiner makes it practical on the course, while the reinforced edges ensure the towel keeps its shape over repeated use. Available in several colours, such as Black, Navy and Red.

This towel can be personalised from one piece and is suitable for companies, sports clubs, associations and individuals looking for a functional giveaway or team accessory. Customisation techniques: embroidery, DTF printing, flex, screen printing and transfer. personalised golf towel.
