DESCRIPTION

Unisex sized microfibre sports towel (85% polyester, 15% polyamide) made for rapid drying after activity. At 110 x 180 cm it provides ample coverage while remaining very lightweight and compact for easy transport in a gym bag. The smooth, dense microfibre feels soft on the skin and is machine washable following standard care for technical textiles.

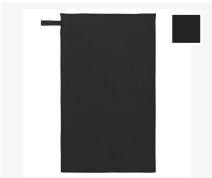

Overlocked edges give the towel a neat finish and durability; an elastic loop sewn in matching tone helps rolling and storage. The photo shows a corner loop for hanging or attaching to a bag. Available in several colours such as Fuchsia, Sporty Royal Blue and Storm Grey.

This personalised sports towel is available from one piece and suits clubs, associations, companies and individuals for events, gifts or retail. Customisation techniques offered include embroidery, DTF printing, flex, screen printing, transfers and pad printing. Our design studio can retouch or vectorise your logo.
