DESCRIPTION

Unisex terry poncho designed for use after swimming or at the beach. It features a relaxed fit with a crossed front hood and short sleeves, offering generous absorbency thanks to organic cotton certified GOTS. Available in two sizes (S/M, L/XL), it slips on easily over swimwear and is maintained like standard towelling garments.

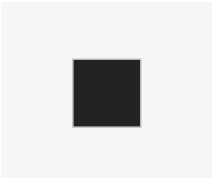

The garment includes a large internal central pocket, two mid-height side openings to ease dressing and undressing, plus reinforced side slits at the hem. A demi-moon neckline finish at the back provides a dedicated area for branding; the tear-away label can be removed without damaging the poncho.

This personalised poncho can be ordered from one piece and suits companies, sports clubs, associations, events and private customers. Possible technique: embroidery. Available in several colourways including Black, Camel and Navy. Our studio can vectorise or retouch your logo prior to marking.
