Foldable bottle carrier

PROACT · Ref. PA628

Reference	PA628
Brand	PROACT
Composition	100% Polypropylene
Material	Polypropylene
For	Men's
Country of origin	India
Carton	20 pieces

DESCRIPTION

This foldable bottle holder for men is moulded from durable polypropylene and holds up to 8 bottles in two rows of four. Its hinged frame and cut-out handle make it easy to carry and compact to store; the material is simple to clean and performs well under regular use. Available in 1 colour (Black) and one size.

The design features individual compartments to stabilise each bottle and articulated supports for tool-free opening and folding. The glossy finish and reinforced pivot points contribute to its robustness in repeated handling.

This personalised bottle holder can be customised from one piece: we offer pad printing (tampography), screen printing and digital printing on objects to apply a logo or marking. Suitable for companies, sports clubs, associations, events and private customers, YourVisualHere's design studio can retouch or vectorise your logo prior to production.

KEY FEATURES

- Easy to store: foldable.
- Very resistant polypropylene.

COLOURS (1)

Black
