DESCRIPTION

This armband is made from 70% polyester and 30% elastane, supplied in one size and designed for teams and volunteers needing a lightweight, stretchy holder for a transparent badge sleeve. It fastens with white Velcro for quick application and removal, while the elastic fabric provides a comfortable fit that does not restrict movement.

Designed for practical everyday use, the armband features a wide, flat area that accepts a badge holder and offers a smooth surface for identification. The construction is straightforward and durable, suitable for repeat use at events or on-site. It is offered in several colours, for example Fluorescent Yellow, Black or Sporty Red.

This personalised armband can be customised from one piece by embroidery. It is ideal for companies, sports clubs, associations, schools, youth movements and event teams to display a name, emblem or small logo. Our artwork studio can refine your file before production.
