Brand	PROACT
Composition	70% Polyester, 30% Elastane
Material	Polyester, Elastane
Labels and certifications	PETA Vegan
Country of origin	BD|IN
Carton	500 pieces

DESCRIPTION

Elastic armband made of polyester and elastane, designed to stay in place during activity. It has a snug, stretch fit that follows the arm without restricting movement and a smooth surface suitable for marking. Available in two sizes, it’s ideal for referees, team captains or staff. Care is straightforward — follow the textile’s washing instructions for best results.

The armband fastens with a white Velcro strap for quick adjustment and secure wear. The lightly ribbed surface helps printed or stitched logos sit flat and resist creasing. It comes in several colours, for example Black, Fluorescent Orange or Fluorescent Yellow, allowing easy matching with team kits or safety colours.

Perfect as a personalised armband, it can be customised from one piece by embroidery. Our graphic studio can vectorise or retouch your logo to ensure optimal results. Suitable for companies, sports clubs, associations, events and private customers seeking a visible, practical marking solution.
