Referee Card

PROACT · Ref. PA683

Reference	PA683
Brand	PROACT
Composition	100% Plastic, % Polypropylene
Material	Plastic
Country of origin	India
Carton	2000 pieces

DESCRIPTION

Durable, lightweight referee card made from plastic/polypropylene, designed for regular match use. Supplied in one size, it offers a secure, comfortable grip and resists impact and moisture commonly encountered on the pitch. The smooth, flat surface ensures clear marking and easy handling thanks to rounded corners.

Available in several colours — for example Royal Blue, White and Yellow — it is low-maintenance: cleaning with soapy water removes dirt and residue. Its simple, solid construction makes it easy to carry in a pocket or referee kit without worrying about moving parts or wear during transport.

This personalised referee card is offered as a personalised referee card from one piece: customisation options include pad printing (tampography), screen printing and digital printing on items to add logos, numbers or text. Suitable for clubs, schools, associations and sporting events; free quote within 24 hours on weekdays.
