DESCRIPTION

Leisure football in size 5, designed for play on grass pitches and suitable for players aged 12 and up. The ball features a 32-panel construction with a three-layer polyester carcass and hand-stitched seams for a soft touch and consistent bounce. Made from 100% PVC with a glossy finish, it is easy to keep clean with a damp cloth and mild detergent.

The glossy surface and hand-stitched assembly provide solid durability for training sessions and casual matches. Panels are well joined and the ball uses a standard bladder; regular inflation and pressure checks help maintain performance and service life.

Available as a personalised football and customisable from one piece, it is ideal for clubs, associations, corporate events and promotional gifts. We offer pad printing (pad printing), screen printing (screen printing) and digital printing on objects (digital printing) depending on artwork and placement. Free quote in 24 hours on weekdays, graphic studio support for logo vectorisation or retouching, collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
