Carton	55 pieces

DESCRIPTION

Children's swimsuit designed for comfort and performance. One-piece cut with wide shoulder straps and a rounded back opening; the front is fully lined to prevent transparency. Made from a highly stretchable polyester blend that is chlorine-resistant and provides UV 50+ protection. Available in sizes 6/8 to 12/14 years with reinforced double topstitching for improved durability.

The clean, functional cut and the lined front make care straightforward and reduce chafing during swim sessions. Wide straps offer good support for children while the flexible fabric follows movement without restriction. Suitable for training, swim lessons and recreational pool use.

Customisation available from a single item using embroidery, DTF printing, flex, screen printing, transfer prints (single and multi-colour) and embroidered badges — ideal for clubs, schools, associations, events or individuals seeking a personalised swimsuit. Free quote within 24 hours on weekdays; our studio can vectorise or refine your logo.
