DESCRIPTION

Children's swim brief designed for boys, available in sizes 6/8 to 12/14 years. Made from polyester with good chlorine resistance and UV 50+ protection, it features an internal drawcord for a secure fit and a fully lined front for improved opacity and durability during repeated use in the pool.

The brief has a low-rise, streamlined cut that offers freedom of movement without bulk. The fabric is stretchy and breathable for comfort during aquatic activities, and its construction supports easy care thanks to the material's chlorine resistance noted by the manufacturer.

This personalised swim brief can be customised from one piece on a wide range of textile. Available marking techniques include embroidery, DTF printing, flex, screen printing and transfer. Suitable for swim clubs, schools, associations, events and private customers; our studio can vectorise or retouch your logo.
