Label	Sewn-in label
Country of origin	China
Carton	10 pieces

DESCRIPTION

Slim-fit men's trousers in a highly stretchable fabric (90% nylon, 10% elastane) designed for comfort and freedom of movement on site. The close-cut silhouette is soft to the touch and quick-drying; a rear lumbar bib adds extra lower-back protection while the lower leg is reinforced with polyoxford 600D for improved abrasion resistance. Available in several colours and sizes XS to 5XL, the garment accepts knee pads and should be cared for as per the manufacturer's guidance.

The trousers include numerous practical pockets: a side tool pocket, multifunction side pocket with retractable badge holder, two rear pockets (one with flap, one with Velcro), concealed zipped pockets and two top-loading knee pad pockets. Retro-reflective bands front and back, triple stitching and a central YKK zip with scratch-resistant button increase durability and on-the-job safety.

These personalised trousers can be customised from one piece on a wide range of textile and suit companies, clubs, associations and individuals. We offer embroidery, screen printing, flex, DTF printing and transfer printing, plus an in-house graphic studio to vectorise or retouch your logo. Free quote within 24 hours on weekdays.
