DESCRIPTION

Men's work jacket in a stretchy U-4 fabric blend (90% polyester, 10% elastane) combining comfort, breathability, water-repellent performance and quick-drying properties. It has a straight cut with an extended back, a stand-up collar and an adjustable retractable hood; windproof stretch cuffs reduce draughts. Available in several colours, including Asphalt Grey, Black Carbon and Deep Blue, and sized S to 5XL.

The jacket features two zipped front pockets, a vertical zipped chest pocket suitable for a phone and two large inner pockets; an internal drawcord and reflective inserts improve visibility. Details include contrasting zip pulls and a build designed for freedom of movement and everyday durability. The fabric is easy to care for and dries quickly.
