DESCRIPTION

Men’s sleeveless gilet made from 90% nylon and 10% elastane in a four-way stretch U-4 fabric. The gilet combines freedom of movement with breathability and quick-drying performance and is water-repellent for light outdoor use. It features an extended back for added coverage and is designed to be worn over other layers. Available in several colours and sizes S to 5XL.

The garment includes a front zip, two zippered front pockets, a chest phone pocket with zip and two large inner pockets. Reflective tape on the collar and across the back improves visibility. Practical pocketing and robust construction make this gilet suitable for construction, fieldwork and outdoor activities where mobility and storage are essential.

This personalised gilet can be customised from one piece and is suitable for companies, sports clubs, associations and private customers. Customisation techniques offered: transfer screen printing, MSO transfer, DTF printing, flex (flocking) and embroidery. Our design studio can retouch or vectorise your logo; free quote within 24 hours on weekdays. Collection in Evere or delivery in Belgium, France and Luxembourg.
