DESCRIPTION

This personalised T-shirt with a V-neck for men features a straight cut and cut-and-sew construction in 100% Supima cotton jersey, giving a soft, silky handfeel. The V-neck is finished with a tone-on-tone tape and the short sleeves and hem have double-stitched hems for a clean look. There is no brand label at the neck, only a size tag to ease customisation.

The photo highlights the garment's straight drape and classic proportions: smooth shoulders, standard sleeve length and a simple finish that suits professional and association use. Available in several colours (for example Black, Deep Navy and White) and sizes S to 4XL.

Customisable from one piece on a wide range of textile, this T-shirt accepts Screen-print transfers, MSO transfers, DTF printing and flex heat transfers. Recommended for companies, sports clubs, associations, events and private customers; our design studio can retouch or vectorise your logo.
