DESCRIPTION

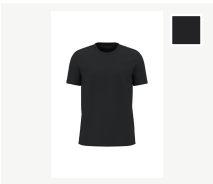

Custom / personalised men's organic interlock cotton t-shirt with logo made from 100% combed organic cotton with an enzyme wash for a soft hand. The interlock fabric with LSI (Low Shrinkage Interlock) helps limit shrinkage and maintain shape; straight fit, crew neck and reinforced shoulder seams for reliable comfort. Finished with double-stitched hems on sleeves and body, and no brand label at the collar—only a removable size tag to ease customisation.

This t-shirt can be personalised using screenprint transfers, MSO transfer, DTF or flex/flock. Suited to businesses, sports clubs, associations, schools, events and private customers seeking a neat, durable branded garment. Our studio can retouch or vectorise your logo to ensure optimum printing quality.

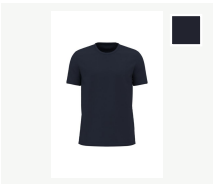

KEY FEATURES

- 100% organic cotton.
- LSI (Low Shrinkage Interlock) to reduce shrinkage and maintain the garment's shape over time.
- No label for easy branding.
