DESCRIPTION

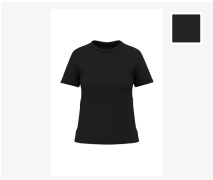

The women's interlock organic cotton T-shirt combines a soft handfeel with a tailored, slim fit. Made from 100% organic combed cotton with enzyme washing, the LSI interlock fabric reduces shrinkage and helps maintain the garment’s shape. Cut-and-sewn construction, a crew neck with reinforced shoulder seams, and double-stitched hems on sleeves and body provide a clean, durable finish. The absence of a neck label—replaced by a detachable size tag—facilitates comfort and easy branding.

This custom/ personalised women's interlock organic cotton T-shirt with logo can be decorated using Transfert Sérigraphique, Transfert MSO, DTF and Flex (flocking). Suited to companies, sports clubs, associations, events and private customers who want a sustainable, easily customisable garment.
