DESCRIPTION

Women’s zipped hoodie with a contemporary cut, designed for everyday wear. The interlock fabric (70% cotton, 26% polyester, 4% elastane) combines structure with a small amount of stretch for comfort. The two-panel hood is lined in the same fabric and has no drawcord; raglan sleeves improve mobility. Details include a tone-on-tone nylon zip with metal puller, topstitching at the collar and 1x1 rib at cuffs and hem. The LSI treatment helps reduce shrinkage after washing.

Practical features include two pockets integrated into the seam for a discreet finish and an internal neck tape for comfort. There is no brand label, only a size tag to simplify customization and provide a clean area for decoration. Available in several colours, for example Black and Deep Navy, sizes XS to XXL.

Customisable by DTF printing, screen printing transfers, flex and embroidery. Suitable for businesses, sports clubs, associations, events and private customers: this personalised zip-up can be customised from one piece on a wide range of textile and is ideal when a neat, professional result is required.
