DESCRIPTION

A straight-cut women’s dress with a clean, professional silhouette designed for formal events or workplace wear. It features princess seams with a stitched panel that flattens and reinforces the seams, a lined V-neck, short sleeves and a stretch lining on the body for comfort. An invisible zip at the back, two waist darts and a rear vent provide fit and ease of movement. Available in several colours such as Black and Eclipse Navy and in sizes 34 FR to 46 FR.

Attention to detail shows in the finish: reinforced flat seams, a floating lining with vent and no brand label (only a size tab) to simplify customisation. The blended fabric (polyester, viscose, wool, elastane) delivers structure and wearability, with care appropriate to mixed-fibre garments.

This personalised dress can be customised from 1 piece on a wide range of textile and suits companies, clubs, associations and private customers. Possible techniques: screen transfer, MSO transfer, DTF printing, flex. Our artwork studio can vectorise or refine your logo; free quote within 24 hours on weekdays, standard production and express options available, collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
