## DESCRIPTION

Women’s straight skirt in a tailored cut, designed for professional and formal wear. The fabric blend of polyester, viscose, wool and elastane gives the skirt a structured drape with a degree of stretch for comfort; it is fully lined in stretch polyester to aid movement. The skirt is offered in several colours, including Black and Eclipse Navy, and in sizes 34 FR to 46 FR. Its straight silhouette makes it suitable for pairing with a matching jacket.

The design features two front and two back darts at the waist, a rear zip closure concealed by an inner fly secured with a button, and a rear vent with a floating lining to ease walking. The absence of a brand label—replaced by a size tag—ensures a clean finish after customisation. Please follow the manufacturer’s care instructions.

This personalised skirt can be customised from one piece and is aimed at companies, clubs, associations and private customers seeking a uniform look. Available personalisation techniques include embroidery, DTF printing, flex, screen printing, screen-printed transfers (single- and multi-colour) and embroidered patches. Our artwork studio can retouch or vectorise your logo prior to marking.
