DESCRIPTION

Men's waistcoat with a tailored fit, made from a blend of polyester, viscose, wool and elastane for structure and comfort. The piece features a classic V-neck, four tone-on-tone buttons and two discreet welt pockets at the front. The outer back and inner sections are finished in a tone-on-tone polyester twill for a refined look. This waistcoat can be personalised from one piece and comes in several colours, including Black and Eclipse Navy.

The back includes an adjustable tab with a metal buckle to fine-tune the fit, plus a centre-back seam with a V-slit at the hem for ease of movement. There is no brand label, only a size tag to simplify customization. The cut and finishing make it suitable for formal wear and event use.

Customisation options include embroidery, screen printing/transfer, DTF printing, Transfert MSO and flex. The personalised waistcoat is well suited to companies, sports clubs, associations, schools, events and private customers looking for a smart, tailored item.
