DESCRIPTION

This men's coat mixes the look of a woolen cloth with polyester durability (80% polyester, 20% wool): straight cut, tailored collar and sleeves, and a twill polyester lining for comfort. It features a removable padded polyamide front panel attached with an invisible internal zip, adding insulation around the collar and chest. Central zip fastening with horn-effect buttons, piped lower pockets and a piped chest pocket deliver a refined, practical finish. Available in 1 colour (Black) and sizes 46 FR to 60 FR.

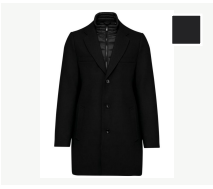

Practical details include structured shoulders with epaulettes, a centre-back vent for mobility, felt under the collar, and interior piped pockets including a zipped chest pocket and a phone pocket for secure storage. The twill construction gives the coat a crisp, tailored appearance suitable for professional daily wear or formal occasions.

This coat can be personalised from one piece using embroidery, screen printing transfers (Transfert Sérigraphique, Transfert MSO), DTF printing or flex. Recommended for companies, sports clubs, associations, events and private customers seeking a personalised coat with your logo.
