DESCRIPTION

Men's suit jacket with a tailored fit, designed for professional and formal wear. The polyester, viscose, wool and elastane blend provides structure with comfortable stretch, while the tone-on-tone twill lining gives a clean drape. Single-breasted with two buttons, classic lapels and welt pockets with flaps plus a chest welt pocket offer a traditional look. Available in several colours, including Black and Eclipse Navy.

Functional details include a centre-back seam with two rear vents, faux-sleeve vents with four buttons and interior pockets for phone and tickets on the left-hand side. A satin hanging loop and a left-side customisation zip simplify production. The absence of a brand label makes the jacket ready for discreet personalisation.

Suitable for commercial teams, clubs, associations, schools and private events — this personalised costume can be produced from one piece. Personalisation techniques available: screen printing transfers, MSO transfer, DTF printing, flex and embroidery.
