DESCRIPTION

Women’s blazer with a straight cut, designed for professional and formal use. The fabric blend of polyester, viscose, wool and elastane offers warmth and comfort while maintaining a tailored drape; the ton-on-ton polyester twill lining with easing pleats improves wearability. This single-button blazer features a classic lapel and long sleeves for a smart silhouette. It is available in several colours, such as Black and Eclipse Navy, in sizes 34 FR to 46 FR.

Practical details include two welt pockets at the front, an internal welt pocket on the chest side, three buttons at the sleeve hem and a single back vent to aid movement. The absence of a brand label (only a size tag) makes the piece ready for clean customization and easy integration into a matching suit set.

This blazer can be personalised from one piece and suits companies, sports clubs, associations and private clients looking for a personalised costume element. Customisation techniques offered: screen printing (Transfert sérigraphique), Transfer MSO, DTF printing, flex and embroidery (Embroidery/Borduren). Free quote within 24 hours on weekdays; our studio can retouch or vectorise your logo.
