DESCRIPTION

Men's straight-fit trousers in twill, made mainly of cotton with a touch of elastane for comfort and ease of movement. The waistband features belt loops, a metal zip fly and a marbled-effect top button. There are two Italian front pockets, a ticket pocket and a small coin pocket on the right-hand side, while the inside of the waistband, fly and pocket bags are finished with a subtle striped motif. Available in several colours, these trousers work equally well for professional or smart-casual wear.

Functional details include piped rear pockets with reinforced stitching and tone-on-tone buttons. The straight cut provides a contemporary silhouette without restricting comfort; the twill fabric with elastane keeps a neat appearance in everyday use. Practical and durable, they are suitable for staff uniform, events and daily wear.

These personalised trousers can be customised from one piece and our studio can vectorise your logo. Available marking techniques: embroidery, screen printing, flex, transfer, DTF printing, embroidered patches and tampography. Recommended for businesses, sports clubs, associations, schools and private customers.
