DESCRIPTION

Womens trousers with a clean drape, suitable for professional wardrobes and smart-casual use. Made from a viscose/polyester/elastane blend, the fabric combines softness with a slight stretch for comfort and freedom of movement. The design features a slightly tapered leg with front pleats for a tailored appearance and an elasticated back waist for added comfort. Available in several colours, including Black, Deep Navy and Wet Sand.

The trousers include two front slanted pockets and two faux piped back pockets. Fastening is by nylon zip, two metal hooks and a button under the fly; the inner waistband is finished in the main fabric with a tone-on-tone bias. There is no brand label to simplify personalisation. Sizes range from 34 FR to 44 FR.

These trousers can be personalised from one piece and are suited to companies, clubs, associations, schools and private customers. Personalisation techniques available include personalised trousers by embroidery, DTF printing, flex, screen printing, transfer, embroidered badges or pad printing, depending on placement and finish.
