DESCRIPTION

This men's straight-cut trousers are made from denim with a small share of elastane for added comfort. It features belt loops, a zip fly with a metal button, two front pockets including a small ticket pocket, and two patch back pockets. Contrast stitching and metal rivets provide tidy finishes, while a contrast inner waist band is visible at the back. The garment undergoes a wash treatment that creates colour variations between pieces and will gently age with wear. Wash separately as the fabric may transfer colour onto light surfaces.

Designed for everyday wear, the straight fit keeps a smart silhouette and the lack of a brand label (only a size tag) makes it straightforward to personalise without visible interference.

These trousers can be personalised from a single piece using embroidery, embroidered patches, DTF printing, flex, screen printing and transfer techniques; pad printing is also available for small areas. Suitable for companies, sports clubs, associations, schools, events and private customers; available in 1 colour (Denim) and sizes 36 FR to 54 FR. personalised trousers
