DESCRIPTION

Women’s straight-cut denim trousers designed to sit close to the leg while remaining comfortable thanks to 1% elastane. Made in a sturdy cotton denim, they feature a zip fly with metal button, matching metal rivets and contrast bordeaux topstitching. The piece has two front pockets (one with a ticket pocket) and two patch pockets at the back, plus belt loops and a contrasting inner band on the waistband. The denim is treated with a specific wash producing subtle colour variations between items; it will age naturally and can transfer colour to light surfaces — wash separately.

In wear, the straight silhouette keeps a clean, tailored line without excess volume; the Old Brass-coloured hardware and detailed stitching give a refined finish. The garment has no brand label, only a size tag to make rebranding or marking straightforward.

These trousers are available for personalised orders from one piece and suit companies, sports clubs, associations and individuals. Personalisation techniques offered include embroidery, DTF printing, flex, screen printing, transfer and embroidered badges.
