DESCRIPTION

This men's straight-fit trouser combines a smart appearance with comfort thanks to its fabric blend (50% polyester, 23% viscose, 22% wool, 5% elastane). It features permanent creases front and back, a zip fly with two metal hooks, a waistband with belt loops and invisible hems. A polyester lining at the upper thigh improves comfort when worn. Available in several colours, for example Black and Eclipse Navy, sizes range from 38 FR to 56 FR.

Functional details include two slanted front pockets and two piped back welt pockets with tone-on-tone buttons and decorative topstitching. There is no visible brand label (only a size tab), which makes customised marking easier. The straight cut flatters the silhouette while remaining appropriate for professional or hospitality use.

These trousers are offered as personalised trousers and can be customised from a single piece. We provide embroidery, DTF printing, flex, screen printing, transfers (single- and multi-colour), embroidered badges and pad printing depending on placement. Suitable for companies, sports clubs, associations, events and private customers. Free quote within 24 hours on weekdays and our design studio can vectorise or retouch your logo.
