DESCRIPTION

This women’s tailored trousers PK750 combine polyester, viscose, wool and elastane for a structured yet comfortable finish. The slim, tapered cut finishes at the ankle for a contemporary professional look. It is offered in several colours — for example Black and Eclipse Navy — and in sizes 34 FR to 46 FR. This item is a personalised trousers option and can be customised from a single piece across a wide textile range.

Practical features include two side pockets and two piped back pockets, a zip fastening with a metal hook and an internal under-placket secured by a button for added comfort. Belt loops, a neat internal bias on the waistband, polyester tonal lining and twill pocket bags ensure clean finishes. There is no brand label, only a size tab to ease customization.

We can personalise using embroidery, DTF printing, flex, screen printing, transfer screens, embroidered badges or tampography depending on placement. Suitable for companies, sports clubs, associations, schools and private individuals seeking custom trousers.
