DESCRIPTION

Men's swim shorts with a straight cut in lightweight polyamide for quick drying and a comfortable, relaxed fit. The design features an elasticated waistband with a flat drawcord finished with metal tips and a mesh inner slip with elastic-bound edges for added comfort. Available in several colours including Black, Deep Navy and Sage, and in sizes XS to 3XL.

The shorts include two side pockets with mesh linings and a back piped pocket with a nylon zip, plus reinforcement stitching at the pockets, crotch and waistband for durability. Double-needle stitching on the sides and crotch provides a clean finish. There is no brand label on the waistband, only a size chip to simplify customisation.

These shorts are available as personalised shorts from a single piece and suit companies, sports clubs, associations and private customers for events or team wear. We personalise using embroidery, DTF printing, flex, screen printing and transfer techniques, and can apply embroidered patches. Free quote within 24 hours on weekdays and our design studio can vectorise your logo.
