DESCRIPTION

This men's belt is a flat full-grain cowhide leather belt with an aniline finish, designed for everyday wear with a refined, understated look. It is offered in several colours (for example Black and Dark Cognac) and four sizes covering 48 FR to 62 FR, featuring a metal buckle for precise adjustment. Supplied in a black cotton pouch, it is easy to store and present prior to customisation.

The clean cut and neat finishing make this belt suitable for workwear or casual outfits. The metal buckle and visible leather edges provide a straightforward, durable aesthetic without unnecessary details; the pouch protects the item during handling and transport.

This personalised belt can be customised from one piece using embroidery, DTF printing, flex, screen printing, transfer printing, embroidered badges or tampography depending on the desired result. Suitable for companies, sports clubs, associations, events and private customers looking for a branded accessory.
