DESCRIPTION

Men's gilet in 100% Supima® cotton with a smooth handfeel and a tailored fit. Knitted fully-fashion to reduce waste, it features a V-neck, tonal button placket and a 1x1 ribbed hem. Designed for layering, it comes in several colours and sizes from S to 3XL.

The fully-fashion construction and doubled ribbed armholes provide a clean finish and good shape retention. The garment has no brand label—only a size chip—to simplify professional customisation while keeping a refined appearance and easy care thanks to combed cotton.

This personalised gilet can be customised from one piece across a wide range of textile and is ideal for companies, sports clubs, associations and private customers seeking a discreet, elegant result. Available decoration methods: screen printing (transfer), Transfer MSO, DTF printing, flex and embroidery.
