DESCRIPTION

Unisex service shirt designed to be lightweight and breathable, made from 58% cotton, 39% recycled polyester and 3% elastane. It features a straight cut, full button fastening and roll-up sleeves for practical comfort and freedom of movement. Two chest patch pockets add useful storage while keeping a clean, professional look. A durable anti-fade finish helps maintain the garment's appearance over time.

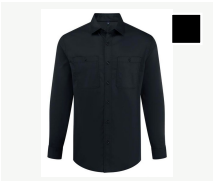

The shirt is available in several colours such as Stay black, Stay khaki and Stay navy, in sizes XS to 4XL. Visible details — buttoned cuffs, reinforced pocket seams and a straight hem — give it the robustness required for intensive use in hospitality, reception and other service roles.

This personalised shirt can be customised from one piece on a wide range of textile. Marking options include screen transfer, Transfert MSO, DTF printing, flex and embroidery. Suited to companies, clubs, associations, events and private customers; our design studio can retouch or vectorise your logo before production.
