Material	Recycled polyester, Cotton
Fabric weight	255 g/m²
For	Unisex
Labels and certifications	Global recycled standard, Recycled polyester
Country of origin	Bangladesh
Carton	36 pieces

DESCRIPTION

Unisex apron made from ripstop fabric (65% recycled polyester, 35% cotton) offering enhanced durability and a subtle textured look. The one-size design makes it suitable for professional settings such as kitchens, catering, workshops or events. The ripstop weave reduces snags while the material blend provides durability and straightforward care—machine washable following manufacturer guidance.

The apron features belt-style shoulder straps with a clip buckle for easy adjustment, a large central pocket reinforced with rivets and a fabric tab, plus a front vent to improve mobility. Visible details show robust stitching and a structured hang that helps the apron maintain its shape during regular use.

This personalised apron can be ordered from one piece and is ideal for businesses, restaurants, clubs, associations and private customers. Personalisation techniques available: screen printing (Transfert Sérigraphique), MSO transfer, DTF printing, flex and embroidery. Our artwork studio can vectorise or retouch your logo prior to production.

KEY FEATURES

- Belt-style straps with clip buckle.
