DESCRIPTION

Unisex apron made from organic cotton twill, designed for professional or home use in kitchens, hospitality and workshops. The straight cut in one size gives reliable coverage of the torso while allowing freedom of movement; the organic cotton feels soft and is machine washable at 40°C. A practical, more sustainable choice without sacrificing fabric strength.

Two patch pockets provide handy storage for utensils or notes, and the apron length is easily adjusted with a buckle at the neck. Contrast stitching reinforces stress points and gives a neat finish; the twill weave offers durable performance while remaining flexible in daily use.

This personalised apron can be ordered from one piece and accepts the following techniques: DTF printing, screen-print transfers, MSO transfer, flex and embroidery. Recommended for companies, restaurants, clubs, associations, schools and private customers. Free quotes and an in-house design studio are available to vectorise or refine your logo.
