DESCRIPTION

Unisex salon gown designed for hairdressers and barbers, made from polyurethanes with a polyester coating for a waterproof, easy-to-clean surface. The roomy cut and large dimensions (H 117 cm x L 160 cm) provide full coverage; a round neckline and adjustable Velcro fastening ensure a comfortable fit around the neck. The material is insulating yet lightweight (grammage stated), making maintenance straightforward.

The shape resembles a broad protective cape rather than a tailored jacket, which preserves freedom of movement during service. A hanging loop allows the gown to be stored between uses; finishes are minimalist and practical for professional salon environments. Available in several colours — for example Black and Dark Grey — in One Size.

This personalised blouse/jacket can be customised from a single piece. Marking options include screen printing transfers, MSO transfer, DTF printing, flex and embroidery. Recommended for salons, companies, clubs, associations and individuals who need branded, protective workwear.
