DESCRIPTION

Unisex apron made from 65% recycled polyester and 35% organic cotton, designed for professional use. It features a bib design with an adjustable neck strap and a covering length in one size. The fabric offers durability and comfort for daily use in kitchens, catering or workshop environments; machine wash at 60°C is suitable. The apron is available in several colours, for example Black and White.

The apron includes two angled side pockets that provide easy access to tools or pens. The photo shows a straight cut and reinforced stitching at the pockets for improved wear resistance. The adjustable neck buckle allows quick height changes to fit different body shapes while maintaining freedom of movement.

This personalised apron can be customized from one piece using Embroidery, Screen printing transfer, MSO transfer, DTF printing and Flex. Suitable for companies, restaurants, clubs, associations, schools and private customers looking for an eco-responsible, professional solution. Free quote within 24 hours on weekdays; in-house design studio available to vectorise or refine your logo; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
