DESCRIPTION

Unisex apron in regenerated denim with a classic knee-length cut in one size. Made from a blend of recycled cotton and recycled polyester, it delivers a soft touch with the durability needed for professional settings such as catering, workshops or event booths. The neck strap features an adjustable loop-and-buckle for a comfortable fit. The apron is available in several shades, for example Black Denim, Indigo Denim and Natural.

Visible contrast topstitching and angled side pockets with a contrasting trim provide practical storage and reinforce seams for everyday use. The denim finish keeps the apron structured while allowing freedom of movement during busy service or work shifts.

Personalise this personalised apron using screen printing transfer, MSO transfer, DTF printing, flex or embroidery depending on the required look.
