DESCRIPTION

Unisex bib apron designed for professional use in catering, coffee shops or workshops. Made from a 65% polyester / 35% cotton blend for durability and easy care, the one-size cut protects the torso and upper thighs. A central stitched pocket is divided into two compartments, ideal for small tools or cloths.

The top features a faux-leather trim with two large eyelets through which the neck strap passes. The neck strap is adjustable on each side with press studs to set the height. Two box-pleat pockets of about 13 cm provide capacity without restricting movement; visible stitching and sturdy finishes suit frequent use.

This personalised apron can be ordered from a single piece and is well suited to businesses, restaurants, clubs, associations and private customers. Available marking techniques: embroidery, screen printing transfer, MSO transfer, DTF printing and flex. Our graphic studio can retouch or vectorise your logo and we provide a free weekday quote.
