DESCRIPTION

This unisex denim-style apron (70% cotton / 30% polyester twill) is a short, waist-worn design (One Size) suited to hospitality and mobile work. The twill weave gives a durable yet supple feel and the apron accepts domestic washing at 60°C and industrial washing at 85°C. It is available in several colours, for example Black Denim and Indigo Denim. This is a personalised apron option for professionals seeking a practical, hard-wearing piece.

Visible details include a central pocket divided into four compartments—useful for a tablet or card terminals—with an integrated pen slot. Copper rivets and contrast stitching reinforce high-stress areas, and the long fabric ties can be doubled and tied at the front for a secure fit.

Customisation is available from one piece using Screen print transfer, Transfer MSO, DTF printing, flex or Embroidery. Suitable for companies, restaurants, clubs, associations, events and individuals; our artwork studio can retouch or vectorise your logo before production.
