DESCRIPTION

Unisex bib apron in twill (70% cotton, 30% polyester), straight cut with full-coverage dimensions (72 x 86 cm), designed for professional use. The twill weave combines suppleness and durability; machine washable at 60°C domestically and suitable for industrial washing at 85°C. Available in several colours, including Black Denim and Indigo Denim. One Size, suitable for hospitality, workshops and events.

The apron features a central pocket divided into four compartments, practical for a tablet, card terminals and small tools. The ties are made from the same fabric and long enough to fold back and tie at the front; the neck strap is adjustable with a buckle and copper rivets reinforce stress points. Contrasting topstitching across the front gives a functional, durable finish.

Ready to be a personalised apron using screen printing transfer, MSO transfer, DTF printing, flex or embroidery. Recommended for companies, restaurants, clubs, associations and private customers. Customisation possible from one piece; free quote within 24 hours on weekdays.
