DESCRIPTION

Unisex mid-length apron in a 70/30 cotton/polyester blend, designed for professional and hospitality use. Its straight cut and compact dimensions (H 50 cm x W 70 cm) offer freedom of movement while protecting the torso and upper thighs. The reverse contrasting details are visible on the pockets and ties, giving a reversible-style look with durable appearance. The fabric has a structured finish and is easy to care for.

The functional central pocket (36 cm) includes a pen compartment, and the 100 cm contrast ties secure through large metal eyelets that reinforce attachment points. The simple, robust construction makes this apron suitable for frequent use in restaurants, workshops and events.

This personalised apron can be ordered and customised from one piece and accepts multiple marking techniques: screen printing transfer, MSO transfer, DTF printing, flex (flocking) and embroidery. Recommended for companies, hospitality teams, clubs, associations and private customers — our studio can retouch or vectorise your logo.

KEY FEATURES

- Polyester/cotton blend: comfort and resistance.
- Central pocket on the practical front.
