DESCRIPTION

Unisex personalised apron in 100% cotton denim (350 g/m²) with a vintage, industrial look thanks to an acrylic "oiled" finish. Its generous cut (H 86 cm x W 72 cm) covers the chest and torso well and is offered in one size to fit most users. The apron is available in several colours, for example Black / Tan Denim, Black Denim and Indigo Denim.

The apron features contrast fabric panels and faux-leather details: a chest pocket in a contrasting insert, faux-leather neck strap and waist ties, and an adjustable buckle at the neck for a customised fit. Stitching is neatly executed and the yarn-dyed denim effect gives a textured, workwear appearance that wears well with regular use.

This personalised apron can be ordered from one piece and is suitable for restaurants, retail, clubs, associations and events. Possible branding techniques: screen printing transfer, Transfer MSO, DTF printing, Flex (heat transfer vinyl) and Embroidery. Our design studio can vectorise or retouch your logo prior to production.
