## DESCRIPTION

Unisex apron in sturdy cotton canvas, suitable for professional or hobby use in kitchens, workshops or at events. It features a long cut with a neck strap that ties through a large metal eyelet, metal rivets at stress points and a kangaroo pocket divided into four compartments to keep tools and accessories within easy reach. The heavy, structured fabric is low-maintenance and supplied in One Size to fit most body types.

Practical details include reinforced seams and metal hardware for improved durability. The front pocket organisation lets you separate pens, cloths, small tools and a phone for efficient use. Available in several colours, for example Black, Khaki or Navy, it adapts to different visual identities while remaining highly functional.

This personalised apron can be customised from a single piece using screen printed transfer, MSO transfer, DTF printing, flex or embroidery. Ideal for businesses, restaurants, clubs, associations, schools and private customers. Our design studio can retouch or vectorise your logo prior to printing.
