DESCRIPTION

Unisex "Metro" apron designed for side wear: a short, practical cut (31 x 32 cm) in sturdy twill (70% cotton, 30% polyester) suited to heavy use. Curved lower edges allow good freedom of movement and care is straightforward (domestic wash at 60°C). Available in several colours, for example Black, Indigo Denim and Khaki.

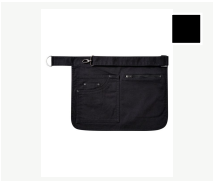

The apron features two functional pockets: a jean-style tablet pocket (20 x 18.5 cm) and a zipped pocket (16 x 16 cm). The adjustable waist strap fastens with an antique brass carabiner and a D-ring for quick fitting. Visible, reinforced stitching improves durability for daily wear.

This personalised apron can be customised from one piece using several techniques: screen printing, Transfer MSO, DTF printing, flex (heat transfer) and embroidery. Ideal for restaurants, bars, event staff, shops, clubs and individuals. Our design studio can vectorise or retouch your logo to prepare it for production.
