DESCRIPTION

Unisex mid-length apron in twill (65% polyester, 35% cotton), designed for professional and association use: straight cut, 50 cm height by 70 cm width giving practical frontal protection without restricting movement. The twill weave provides a balance of suppleness and durability; the fabric is easy to care for with domestic washing at 60°C and industrial washing at 85°C. Available across a broad colour range — for example Black, Natural or Turquoise.

The apron features an integrated waistband with 90 cm ties in the same fabric for simple adjustment. Clean, pocket-free front and discreet finishes deliver a professional look that is well suited to catering, reception and workshop environments.

This personalised apron can be customised from one piece and is ideal for companies, sports clubs, associations, events and private customers. Marking options include screen printing transfer, MSO transfer, DTF printing, flex (flock) and embroidery; our design studio can vectorise or retouch your logo for production.
