DESCRIPTION

Unisex apron in a 65% polyester / 35% cotton twill with a straight cut and an 86 cm length, offering broad coverage for daily use. The twill weave combines flexibility and durability. An adjustable neck buckle and 90 cm waist ties provide an easy fit for a range of body shapes. Machine washable (domestic wash up to 60°C) and suitable for regular professional use.

The apron features a large central patch pocket with a separate pen slot to keep tools and small items accessible. Reinforced stitching increases longevity for frequent wear. It is available in several colourways — for example Black, Natural and Burgundy — and comes in one size intended to suit varied activities.

This personalised apron can be ordered from one piece and customised by embroidery, screen printing (transfer), DTF printing or flex transfer depending on the desired finish. Recommended for businesses, sports clubs, associations, events and private customers wanting a practical, brandable apron.
